

OCTOBER 2008 NEBRASKA PINTO NEWSLETTER

October 15, 2008

From the President

Dear Pinto Friends:

Another show season has come to a close. Whew, it really went fast! Just want to thank Janet Hartman, Glenda Mastellar, Kim Bowen, and Sara Miller, and everyone else who helped with the Last Blast Show. Janet did a really good job managing the show. I firmly believe that at some point everyone should manage a show. There is a lot of work that goes into the planning and making sure everything goes as planned. Thank you Janet! I certainly hated to miss it. I heard the Versatility Class was a lot of fun. I can't wait to see the pictures from the show.

For those of you who haven't had enough shows yet, October 18 and 19, Iowa Pinto has a Jubilee Show in Cedar Rapids at the Kirkwood Arena. And finally, the Pinto Congress October 30th thru November 2nd in Tulsa, OK.

And finally, be sure to plan on attending the General Membership meeting and Awards Banquet at the Wilderness Lodge in Fremont, November 8th. Janet Hartman will be wanting to know your preference for the evening meal and will be asking for reservations from you. Please let her know as soon as possible. And...the general membership meeting also includes election of officers and board members. Be thinking about who you want and better yet, get involved by getting elected to an office or as a board member. There is always room for new blood and new ideas!

I have bent your ear long enough!

See you at the Banquet!

Your Pinto Friend,

Jean Andrews

Come Join Us At The 2009 Pinto World Show!!!

Howdy Everyone!

We are still hoping to get as many Nebraska Pinto members as we can get to join us at the 2009 Pinto World Show. We traveled to our first World Show in 2006 and had an absolute blast! It's not just all about the showing and fun competition, but it's also the comradely among all show enthusiasts that make it such a great time. So many things are always going on and it's never dull no matter what the person's age is so we decided to invite you all to come down and join us for this next year.

We would love to get a row of stalls in one of the show barns where as many of us can be together as possible. We are planning on staying the whole 2 weeks, but whether any of you want to come down for a couple days or the whole stay I think it would be fun for us to be together. Maybe we can even decorate our area to let everyone know where we are from and how proud we are of our club.

Stall reservations can be made shortly after the first of the year so if anyone is interested please let me or my mother Linda know. It's best to send them in all together to cut down on confusion and we would be happy to do that.

Also, I would like to add that if we can get some of our youth down there to show we thought it would be fun to try and get a day where as many of them as possible could go to the large water park that is right by the show area. It's very fun as you can see from the pictures below and a good way to cool off!

I sure hope everyone will think about stalling as a group, sure makes it nice when you know who your neighbors are and who's around the horses. If anyone has questions just let us know and we'll do our best to answer them.

Hope you all have a great Last Blast Show!
