## President's Message

I hope that everyone had a wonderful Thanksgiving with family and friends! I am honored to introduce myself as your new President with Nebraska Pinto for 2024. I would like to thank Donna Freeman as our past president and all 2023 board members.

Welcome to our new board members for 2024! If you were not able to make the Fall Meeting and Year End Awards Banquet, you missed a great time! Thank You to Renee Stouffer and Hope Bunn for making the arrangements and working hard to make it a fun evening.

I would like to encourage all members to talk with friends and neighbors with spotted horses to come join Nebraska Pinto in 2024. Our first board meeting will be Sunday December 10<sup>th</sup> in North Bend where we set up the dates, showbill and get everything moving for the new year.

If you have any ideas or would like to offer any input, please reach out to myself or another board member and share if you are unable to attend in person.

If you are interested in being a part of a committee, please let me know.

I look forward to seeing everyone in the New Year! Happy Holidays!  
Glenda Masteller, NPtHA President

## **Did You Know?** 🧐

### **EQUINE VITAL SIGNS**

Great practical information courtesy of the horse doctors at **Barrow Veterinary Service:**

### **NORMAL: IS NOT JUST A SETTING ON THE DRYER!**

If your horse seems a little "off," do you know what his "normal" is? One of the best ways you can determine if your horse is ill is to know his normal vitals—temperature, breaths per minute, heart rate, and capillary refill time. If they are outside the normal range, a call to your equine veterinarian is definitely warranted! Any refusal to eat a meal or to get up from a recumbent position is also a clue that you and your equine friend need assistance.

Congratulations to all the NPtHA Members that competed at the Colorbreed Congress in November!

**Update on Pop Tab Collection by the NPtHA Youth!**  
**They have collected 50,000 thus far.**

## Thank you to our 2023 \$250 Show Sponsors - Tennery Carttar and Haaris Chaudhry

Tennery has been spending time with horses since she was born. She officially started taking riding lessons around the age of 10 and shortly after, got her first horse, Holly, a 22-year-old retired barrel racing mare. Fox Eye ranch was where she boarded Holly and eventually ended up buying one of their babies, Lacey. Tennery worked with the ladies at the ranch, Chris and Maura, who helped show her how to start training a baby horse. Lacey stayed with Tennery until she headed off to college.

Fast forward several years and Scarlet was born (Lacey's second foal). Tennery helped with the delivery of this little filly, imprinted her, and started working with her immediately. They went to their first show together in 2019 when Scarlet was a yearling and are working on gaining more experience at shows and off property.
